The purpose of this procedure is to resolve issues at the lowest possible level. The failure of a complainant to report the alleged incident within ten (10) working days in no way precludes filing with other agencies within specified times, normally 180 days. Early reporting is encouraged, because management's ability to investigate and act on reports diminishes with time.

EMPLOYEE DISCRIMINATION COMPLAINT PROCEDURE

It is the policy of Sletten Construction Company to provide a complete and impartial system of investigation and corrective action concerning any and all alleged discrimination complaints against employees or applicants of this company. The following procedure will be made available to and discussed with all employees:

STEP 1: Any employee or applicant of Sletten Construction Company who feels he/she has been discriminated against may file a written or verbal complaint. The complaint may be communicated to any company supervisor or to the company EEO Officer. This communication should be made within ten (10) working days of the alleged incident. Complaint forms can be found on the company bulletin board.

STEP 2: For federal-aid highway projects, the firm's EEO Officer will forward a copy of the complaint report to the Montana Department of Transportation's Civil Rights Bureau within seven (7) days of the complaint's receipt by the company.

STEP 3: Within seven (7) days of the receipt of the complaint, the Company EEO Officer will meet with the affected persons in order to try and resolve the complaint. A conciliation conference will be held. Attendees at this conference should include, at a minimum, the complainant, the person against whom the complaint is filed and the Company EEO Officer.

STEP 4: If the complaint is resolved at the conciliation conference, a "Statement of Resolution" will be prepared and signed by the Company EEO Officer, the complainant and the person(s) against whom the complaint was filed. The "Statement of Resolution" will be specific in detailing any mutual agreement made by the respective parties involved.

STEP 5: For federal-aid highway projects, the Company EEO Officer will prepare a "Report of Investigation" at the conciliation conference which will be specific in detailing each step of his/her investigation. This report must include, but not be limited to: (a) a listing of all persons interviewed and results of those reviews; (b) minutes and results of the conciliation conference; (c) if appropriate, the signed Statement of Resolution. This Report of Investigation will be forwarded to the Montana Department of Transportation's Civil Rights Bureau, within fifteen (15) days from the date of the conciliation conference.

Notice should be given to other contracting agencies as appropriate.

For federal-aid highway projects, if the complaint cannot be resolved at the contractor level, the complainant or respondent (contractor) may request that the Civil Rights Bureau investigate the complaint. The Civil Rights Bureau will conduct its investigation and make recommendations to both parties within sixty (60) days after being asked to do so.

The complainant will be advised of his/her other avenues of complaint or appeal which are:

- Montana Human Rights Bureau
PO Box 1728
Helena, MT. 59624
1-406-444-2884
1-800-542-0807
TDD at 1-406-444-9696
- U. S. Equal Employment Opportunity Commission (EEOC)
Seattle Field Office-Federal Office Building
909 First Avenue, Suite 400
Seattle, WA 98104-1061
1-800-669-4000
FAX: 206-220-6911 TTY: 1-800-669-6820
- State or Federal Courts

The anti-discrimination laws give you a limited amount of time to file a charge of discrimination. In general, you need to file a charge within 180 calendar days from the day the discrimination took place.

Should the complaint not be on a Federal-aid highway project, the company EEO Officer Michelle Cohens mcohens@sletteninc.com shall inform the complainant of other proper avenues of appeal.
